

SPONSORSHIP PROSPECTUS

BE PART OF THE BEST COMMUNITY EVENT IN THE NT

WHY SPONSOR?

What began as a way to recognise the dedication and success of people within the GTNT Group network has grown into a much-loved annual event, bringing together hundreds of people from across the Territory to celebrate vocational education, training and workforce development.

The Awards shine a spotlight on the achievements of GTO apprentices and trainees, while recognising the employers, supervisors, mentors and communities who support them. Many finalists and winners go on to achieve further recognition at events including the NT Training Awards, NAWIC NT Awards and Master Builders NT Awards, demonstrating the calibre of talent being developed across the Territory.

Our sponsors are an important part of this story. Their support helps us deliver an event that celebrates achievement, builds connections across industry and promotes VET as a valuable pathway for Territorians. It also helps us share these stories well beyond the Awards Night through social media, newspaper features, advertising and radio, giving finalists, winners and their supporters a wider platform to be recognised.

With continued growth, strong participation and engagement from across the Territory, the GTNT Group Awards provide sponsors with an opportunity to stand alongside an event that celebrates local talent, supports workforce development and helps create Territory futures.

And while the event celebrates in style, its purpose runs much deeper: to recognise achievement, strengthen connections, celebrate the people behind the success and inspire more Territorians to see vocational education and training as a pathway to a rewarding future.

GTNT Group is grateful for our sponsors and it is through your generosity that makes the night a success. We are committed to ensuring that you gain the maximum return on investment.

ABOUT GTNT GROUP

Top End Group Training Pty Ltd (trading as GTNT Group) is an Australian owned and operated not-for-profit organisation based in the Northern Territory.

GTNT Group commenced operations in May 1989, starting with just one staff member and seven apprentices in a small office on Cavenagh Street, Darwin. Since then, the organisation has grown steadily to become the Northern Territory's largest employer of apprentices and trainees.

In 2002, the GTNT Foundation was established to provide guidance and direction on meeting the organisation's social and environmental goals.

Today, GTNT Group employs more than 60 staff across the Northern Territory, with permanent offices in Darwin, Katherine and Alice Springs. The organisation has supported over 6,500 apprentices and trainees and partnered with more than 1,500 host businesses across a wide range of industries.

Our services span employment, training, recruitment, community and corporate workforce solutions across a diverse range of industries. GTNT Group operates several business units including Employment Services (Group Training Organisation), Apprenticeships Northern Territory (Apprenticeship Connect Provider), and the Institute of Skills and Training Australia (Registered Training Organisation). We also partner with Pearson Australia to operate Pearson VUE Test Centres across the Northern Territory.

Working in collaboration with government, business and the wider community, GTNT Group develops innovative workforce solutions to skill Territorians for the challenges of the future.

Our purpose is simple: to Create Territory Futures through Vocational Education and Training opportunities for all communities across the Northern Territory.

GTNT FOUNDATION

The GTNT Foundation Committee was established in 2003 to recommend programs for sponsorship by the Top End Group Training Board to meet our social and environmental goals to benefit our organisation and our communities.

The GTNT Foundation has a strong community focus, supporting many local disadvantaged apprentices and trainees across the Northern Territory through their vocational studies and extra-curricular programs. The Foundation has supported wages for Hospitality Trainees in a local café, both of their wages and training were fully supported in response to the Hospitality worker shortage in the NT. The Foundation also supports apprentices and trainees from remote communities to attend local awards ceremonies, and programs to further their studies.

1. **Our Purpose** | Our purpose is to influence positive social and environmental change.
2. **Our Community Involvement** | Programs that encourage people to develop their skills, to contribute to their environment and their community in a positive way.
3. **Our Community Building Programs**
 - Voluntary Carbon Offset Program (VCOP) Timor-Leste
 - Sponsorship for GTNT Group apprentices to travel to various Award Ceremonies where required
 - Sponsorship to re-engage unhosted GTNT Group apprentices and trainees that have been handed back by their Host Business
